Dear Reba,
 I can't begin to tell you how much I have enjoyed working with you in journalism this year. You have been a wonderful friend and counselor! I have always felt that I could come to you with my problems, and there is no one for whom I hold more respect. You are a wonderful teacher and counselor, and I will always remember you as my best friend and most helpful Yellow Jacket editor.

From the soft, sweet strains of the "Lord's Prayer" floating across the darkened gymnasium, to the joyful voices of small children as they close our pageant with "Joy to the World", our Christmas program represents many different things to each of us. Again this year for the twenty-seventh time our beautiful and ever-loved Christmas pageant was presented for the public with the same reverence and enthusiasm that accompanied the first presentation of the pageant in 1933.

Through our pageant, each student in the Fredonia school system receives a wonderful feeling of accomplishment to be able to be a part of anything so great and beautiful. The pageant is one event which will remain forever in the minds of each and everyone of us, as our Christmas contribution to the community of Fredonia, and the hearts of our townspeople.

For the first time in the history of Fredonia High School an all school play was presented this year.

Two different casts were chosen, and the three act comedy drama was presented for the public on two different evenings. Because of the untiring work of our excellent director, Mrs. Ditto, and the cooperation of the students, the play was a huge success.

The second semester also brought a new and pleasant experience for the townspeople as well as the students of Fredonia High School. Three one act plays were chosen and presented to the public, making a most enjoyable evening, and bringing both comedy and drama to the audience.

YEARBOOKS
in deep tone

Well Mitchell, this is our last year in F.H.S.

In some ways I'm rather glad and there are ways that I am not. You have been the most encouraging teacher that I have had ever since you came to Fredonia. It has been a pleasure working for you in Journalism, English and all activities. I'm sorry to hear that you are leaving Journalism because you handle kids so well. However your time can be concentrated on a more administrative job - guidance.

(which you are more than capable)

Thanks for your help
and advice,

"61" Your student

Doris Kerns

Dear Mrs. Mitchell,

I + certainly has been a pleasure being in your English class this year. I'm really going to miss not having being in your class next year although I will miss my Senior year.

Thanks for making our class a regular ball too for your advice and help to all of us Sophies.
Your Student,
Dorothy Hartung
